

Buangor-Ben Nevis Road

Road & Bridge Upgrades 2026

Making travel safer for our local community

Ararat Rural City Council will reconstruct Buangor-Ben Nevis Road south of Warrak and strengthen/renew several major culverts and bridges along the road over next three years.

BENEFITS

- A consistently wide, sealed road that allows two-way traffic along the entire route.
- Straighter road and better visibility to make driving safer.
- A stronger road surface designed to handle heavy vehicles.
- Upgraded bridges and culverts to improve reliability and reduce flood impacts.
- Safer travel overall for local residents, emergency services and businesses.

PROJECT QUESTIONS

Our Major Projects Team is happy to talk through any of your queries. Please contact them on 5355 0200 during business hours.

We appreciate the community's patience during these important works.

Published February 2026.

FUNDING

- \$4.38M - Ararat Rural City Council
- \$5M - Safer Local Roads and Infrastructure Program (Federal Government)
- \$1.3M - Roads to Recovery Program (Federal Government)
